

HEALTH AND SAFETY POLICY

STATEMENT OF INTENT

South Yorkshire Pumps will ensure that all responsible precautions are taken to provide, maintain and practice safe and healthy working conditions which comply with the relevant statutory regulations of the **Health and Safety at Work Act 1974**.

This Health and Safety Policy and all associated documents shall apply to all activities undertaken by **South Yorkshire Pumps** and applies to all employees, contractors, and visitors.

To enable these duties to be carried out, it is our intention to ensure that responsibilities for health and safety matters are effectively assigned, accepted, and fulfilled within the company.

The Person directly responsible for implementing the company's Health and Safety policy is **Gavin Holman**, Managing Director (**M.D**). This policy is in accordance with the **Health and Safety at Work Act 1974**. The company will regularly monitor and review this policy in the light of safety performance and changing circumstances.

The Managers, Supervisors and Depot Supervisors are responsible for the safe working practices in their own area of activity, also for the continued development of safety systems.

All employees shall be encouraged to participate in the pursuit of Health and Safety and are reminded that safety is the prime responsibility of everybody when carrying out their own job.

It is the company's policy to provide the necessary information, instruction, training, and emergency procedures that may be required. Safety rules, responsibilities, general arrangements, and procedures shall be in place and be reviewed regularly.

All employees of **S.Y.P** (*South Yorkshire Pumps*) are required to communicate all Health and Safety related issues to the management. All accidents must be reported immediately. All accidents & incidents will be investigated & recorded by the Health & Safety Manager and all incidents and near misses must also be reported so that remedial action can be taken to prevent recurrence.
