

## ENVIRONMENTAL POLICY

### STATEMENT

**SY Pumps Ltd** recognises that day-to-day operations can impact both directly and indirectly on the environment. We aim to protect and improve the environment through good management and by adopting best practice wherever possible. **SY Pumps Ltd** will work to integrate environmental considerations into our business decisions and adopt greener alternatives wherever possible, throughout our operations.

In all our activities we aspire to:

- Comply fully with all relevant legal requirements, codes of practice and regulations.
- Prevent pollution to land, air, and water.
- Reduce water and energy use.
- Minimise waste and increase recycling where commercially possible.
- Identify and manage environmental risks and hazards.
- Involve customers, partners, clients, suppliers, and subcontractors in the implementation of our objectives.
- Promote environmentally responsible purchasing.
- Provide suitable training to enable employees to deal with their specific areas of Environmental control.
- Improve the environmental efficiency of our transport and travel. All employees are responsible for working towards the objectives contained within this policy.
